RE: Incident Activity Reports for the Month of September 2022

There were 21 incidents that occurred during the month of September in the community of Kensington. This is a decrease of 13 incidents over the previous month. Please see the attached "Incident Log" for the dates and times, locations, and incident types the Fire Department responded to this past month. During this same time, Engine 165 responded to a total of 57 calls for service, which is an increase of one incident from the previous month. Overall, the El Cerrito-Kensington Fire Department has responded to 3,114 calls for service so far this year.

The chart below is a breakdown of the seven incident response types tracked by the State and National fire incident reporting systems. The following is the number of responses for each type and the percentage of the total calls for each type, and all the responses in the community of Kensington.
