**DATE:** March 2, 2022

**TO:** Kensington Fire Protection District Board Members

**FROM:** Michael Pigoni: Fire Chief

**RE:** **Incident Activity Reports for the Month of February 2022**

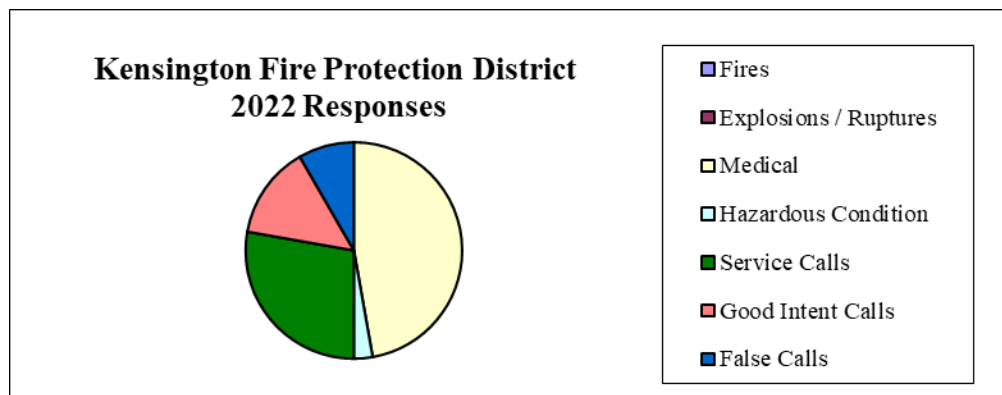

---

There were 36 incidents that occurred during the month of February in the community of Kensington. This is an increase of 3 calls over the previous month. Please see the attached “Incident Log” for the dates and times, locations, and incident type for these calls that the Fire Department responded to this past month. During this same time, Engine 165 responded to a total of 54 calls which is a decrease of 2 calls over the previous month. The Department responded to a total of 280 incidents throughout the response area in February.

As noted above there was only a small change in the number of incidents from January and the response numbers remain in line with the station’s normal call volume. Additionally, there were no significant fires or incidents with loss of property.

The chart below is broken down into the seven incident response types tracked by the State and National fire incident reporting systems. The following is the number of responses for each type and the percentage of the total calls for each type for all the responses in the community of Kensington
