

GENERAL MANAGER

Make an Impact!

Join the Kensington Fire Protection team

The position of General Manager for the Kensington Fire Protection District (KFPD) is one of those rare opportunities to which professionals gravitate. Located in the beautiful East Bay hills of Northern California, the Kensington Fire Protection District has an exciting part-time career opportunity (typically 50-70%, variable as needed) of General Manager (GM). The reasons include: great location, interested and involved populace, compelling challenges, well-managed resources, and a strong community spirit of solving problems and moving forward. Kensington is a small unincorporated town that offers a unique combination of city, suburb, and outdoor lifestyles. The KFPD provides high quality fire and medical response through contract, and cutting-edge fire protection programs.

The ideal candidate will have a MS or BA/BS degree in a related field, and 3-5 years of applicable management experience with demonstrated organizational leadership, supervision, strategic thinking, and abilities in public interactions. A combination of education, experience, and relevant knowledge and abilities may also qualify candidates.

These will not be the only qualifications, but demonstrated experience in public administration, finances, and governance will be important pre-requisites. The annual equivalent salary range is \$229,000-\$250,000 DOQ, along with a generous benefits package, all within a negotiated employment contract. Email us for a candidate brochure that includes more job related detail. Correspondence must be directed as follows and not directly to the District

Send your resume, 3 professional references and interest letter in one electronic document to andrew@bhiconsulting.com. This recruitment will close on July 15, 2023. The complete brochure can be found here: <https://b///x//-xxx/.xxx>.
