DATE: February 1, 2022
TO: Kensington Fire Protection District Board Members
FROM: Michael Pigoni: Fire Chief
RE: **Incident Activity Reports for the Month of January 2022**

There were 33 incidents that occurred during the month of January in the community of Kensington. This is a decrease of 14 calls over the previous month. Please see the attached “Incident Log” for the dates and times, locations, and incident type for these calls that the Fire Department responded to this past month. During this same time, Engine 165 responded to a total of 56 calls which is a decrease of 8 calls over the previous month.

As noted above there was a significant decrease in calls both in the community and within the Department’s response area. However, December was unusually busy due primarily because of the rains that caused numerous incidents. January response numbers are more inline with the Stations normal call volume. Thankfully there were no significant fires or incident with loss of property.

The chart below is broken down into the seven incident response types tracked by the State and National fire incident reporting systems. The following is the number of responses for each type and the percentage of the total calls for each type for all the responses in the community of Kensington.

<u>Call Type</u>		<u>Incident Count</u>	<u>Percentages</u>
1: Fires	<i>(Structure, Trash, Vehicles, Vegetation Fires)</i>	0	0.00%
2: Explosions / Ruptures	<i>(Over Pressure/Ruptures, Explosions, Bombs)</i>	0	0.00%
3: Medical	<i>(EMS, Vehicle Accidents, Extrication Rescue)</i>	13	39.39%
4: Hazardous Condition	<i>(Chemical Spills, Leaks, Down Power Lines)</i>	2	6.06%
5: Service Calls	<i>(Distress, Water/Smoke/Odor Problems, Public Assists)</i>	9	27.27%
6: Good Intent Calls	<i>(Cancelled En Route, Wrong Location)</i>	6	18.18%
7: False Calls	<i>(Wrong Company/Unit Dispatched)</i>	3	9.09%
Totals		33	100.00%
